HOT Describe Rubric

|		
	and looks at it in a new way	
	and explains why	
	My description has several relevant attributes or characteristics	
	My description has one relevant attribute or characteristic	
	I need help to describe [X]	

You can use a text or visual self assessment rubric with students so they can assess their learning outcome and suggest where to next steps.

My learning outcome is at a xxx level because xxxx.
Next time I will xxxx because xxxxxxx
