

## Summarising: what happens in a text.

					
Summarising what happens in a text.	I need help to summarise what happens in a text.  [retells main ideas, important events in correct order]	I can summarise what happens in the text if prompted.	I can summarise what happens in the text and if necessary elaborate on what happens BUT I am not sure.	I can summarise what happens in the text  I can back up/justify my summary with reasons.	I can summarise what happens in the text  I can back up my reasons with evidence from the text.  I can back up my reasons with evidence from between and outside texts.
What this looks like					
Student example.		"Overall I think"	"by this I mean"		
Effective Strategies <i>[insert strategies suggested by students and teachers]</i>				"because"	'Overall I think ... because ... because ...'
